

Construction Activities in San Mateo and Burlingame for October 2007

Caltrans is scheduled to begin a series of construction activities in October at the following locations in San Mateo and Burlingame starting the week of October 14, 2007 through November 2, 2007 as part of the Highway 101 Widening Auxiliary Lane Project.

October 14, 2007 to November 2, 2007 Miscellaneous lane closures for electrical work, Masonry work on Soundwalls and drainage improvements

This will include work on soundwalls from the frontage roads. (Amphlett Blvd., Rollins Road, and North Bayshore Blvd.) Between the hours of 6:00am to 6:00pm. All of the work requiring lane closures on the 101 freeway will be done during the hours of 10:00 PM and 6:00 AM.

October 14, 2007 to November 2, 2007 Foundation work for construction of the new Peninsula overcrossing

Work will continue on the foundations of the new Peninsula Ave Overcrossing. Pile driving in the Southwest area planned to be completed by October 20, 2007 and is not anticipated to resume until a later stage.

October 29, 2007 to November 2, 2007 (Full Freeway Closure) NB 101 for Construction of the Broadway Pedestrian overcrossing (Pile Driving)

Northbound Highway 101 will be detoured off the Anza Blvd. off-ramp and back onto the freeway at Broadway Ave on-ramp. The closures will take place during the hours of 11:00 PM to 6:00 AM.

October 14, 2007 to November 2, 2007 Pouring Concrete for the new Monte Diablo overcrossing

One-way traffic control with flaggers will be used on North Bayshore and Amphlett Blvd. for the movement of concrete trucks and equipment on both sides of the Monte Diablo Overcrossing.

Residents near the work area should expect loud banging noises, jackhammering and noise from heavy equipment.

Due to weather conditions construction activities are subject to change.

Thank you for your patience.
